25X1

1. (JMM) Called Representative Edward J.	
Derwinski, a member of the Henderson Subcommittee before which	the 🚄
Director appears tomorrow in connection with S. 1035, Constitutiona	.1
Rights of Federal Employees. Mr. Derwinski assured me he would	
present at tomorrow's hearing and indicated complete sympathy with	
Agency's position. As in an earlier conversation, he said he feels t	
the best solution from the Agency's standpoint will be to drag the ma	
on as long as possible so that it will never reach the floor. He think	
there is a fair prospect that this can be done through a variety of de	
tactics including absence of a quorum, the filing of a minority repor	-
etc., and, also as in our earlier conversation, he indicated he woul	
	a
try to employ such tactics in our behalf.
